## Pastor of the Week

### Great installation at Loveland!!!

Pastor Brian Smith was installed last Sunday at our Loveland church.

It was an exciting and wonderful day as Pastor Brian was installed and he gave a marvelous installation message as to where he was leading the church. Brian and Rhonda were on the district several years back where God used them mightily at our Columbine church. The Loveland church has been a strong church and we believe there will be new days for them as well!!!
