You have to do something

You never did..."

Pastor of the Week

Lakewood: Dr. Vince Gappa.

It's exciting to see Pastor Vince gaining traction at Lakewood. The people are loving him and there is a new fresh wind and a joy and contentment in the church. They still have financial pressures but they are coming back as a church. New people coming and starting to head back in the right direction. Lift up pastor Vince in your prayers as he leads this church to new days!

Lakewood is hosting the bi-lingual Spanish Rally service on the evening of May 23rd . The Lakewood church has committed to having 100 from their church that evening and so far we have 300 committed from our Spanish works for that evening service rally...

"Disciple Making That Makes a Difference"

Speaker: Rev. Craig Rensch
Senior Pastor
First Church of the Nazarene
Anaheim, CA

Date: May 1, 2010

Place: Bear Valley Fellowship
Church of the Nazarene
2606 S. Sheridan Blvd.
Denver, CO.

Time: 9:00 A.M. - 3:00 P.M.

Rev. Rensch will speak on the subject of: "The Master's Plan of Evangelism." He has made several visits to the Cali, Columbia, Church of the Nazarene, which implemented this plan several years ago with incredible success. He has also attended the training workshop of that church and others. He has presented the training material on "The Master's Plan of Evangelism" at conferences across the country. He is presently implementing the plan into the ministry of his own church.

This workshop should be attended by pastors, SS Superintendents, Education Directors, Youth Pastors & leaders, Children's Pastors & leaders, Teachers, Board Members, and any other Christian who wants to learn how to disciple others.

He has spoken on discipleship multiple times around the country.

I am asking that every pastor send to Roger Freels via the [SDMI website](#) the number of attendees from their church for lunch.

With only 6 churches still out with "no report" this is still 5000 over last year and this is comparing apples to apples, i.e., the same number this year to the same period of collection last year!!!
