NBC Graduation....

Excellent NBC graduation!!! I'm sure to the College that graduations every year get a sense of routine but to me it was a thrilling event to see and be part of the NBC Grad. Pastor Gene Grate also participated in the ceremonies and the graduation was nearly packed at C. Spgs 1st church.

The banquet on Saturday night had a touch of the anointing of God on it as Gary Haines led us in worship and Dr. Harold Graves gave remarks.

The graduation on Sunday was excellent and has a moving touch of the Spirit of God on it as well. Dr. David Graves spoke an excellent message and the service was a moving event...

Several of our own pastors:

Father's Day Powerpoint

Here is a brief [Powerpoint presentation](#) of Gen. Douglas MacArthur's prayer for his son... with some pictures in the Powerpoint if you're interested in using it for fathers day...

This prayer was when he was in combat in WW II as he headed back to fulfill his promise to reclaim the Philippines from the Japanese...

He looked down on his sleeping son in his quarters at about age 4 and later wrote out a prayer...

JULY 4th

Great video of Ollie North on our soldiers in Iraq & Afghan... might be something you may find of interest to use for upcoming July 4th celebration...
